**Subject:** RE: 21cv28-CJW Mossman et al v. United States Centers for Disease Control and Prevention et al  
**Date:** Saturday, July 31, 2021 8:19:10 PM

---

Jared and John,

I'm sure by now you've seen the various developments on the eviction moratorium front, including the White House statement and the unsuccessful attempt at extension in Congress on Friday. Given all that, I thought it might be useful to confirm that Plaintiffs remain unwilling to stipulate to dismissal of this action without prejudice. Please let me know.

Thanks,  
Steve
